My Hotel room in Leeds

The Lady:

About 5'3", absolutely stunning. Dressed for summer in a sexy top and skirt. She has amazing eyes and a smile that lets you know you are in for a fantastic time.

The Story:

She arrived promptly at my hotel and entered giving me a little kiss. I offered her a drink and sorted out the finances. Once settled she sat on the bed and we chatted for a very short while. After about 5 minutes, she asked me a very simple question "So, what do you want to do with me!" I sat next to her and we kissed for a number of minutes, I started to run my hands over her amazing body. She stood up and undid the strap holding her top to reveal amazing breasts (no bra) that just had to be licked.

I moved my hands lower to help her out of her skirt. I then picked her up and lay her on the bed. From here the rest of her clothes and mine were removed.

Everything else that happened that afternoon is between myself and Kate. Although I will say that I was exhausted by the time she had finished with me. Afterwards we sat and talked as I was completely spent.

She is an amazing women who I will definately be seeing again
