The Premises:

WFBs in Bury - nice place to visit, car park at rear, discreet entrance, great receptionist (nicely dressed up in a Chinese style dress - very smart) Drink on arrival at the bar area, 3 nice looking girls on duty all relaxing at the bar.

The Lady:

Foxy is the girl with her unblurred photo on the page that opens the web site and she's as cute in real life as she looks in the picture. Very friendly and chatty, great eyes and smile, nice very slim body - just my type.

The Story:

I'd promised myself a visit to Foxy and I was lucky that she was on duty today, standing in at the last minute for someone else, so I booked an appointment for 7pm. Was not dissapointed in any way - Foxy was friendly and attentive, great body to body massage, owo (extra ?10) with great eye contact then on with the condom and I couldn't stop staring into her eyes while she rode me in cowgirl.

Foxy then introduced me to a position which she called the Connoisseur - who said you can't teach an old dog new tricks? This started off in doggy but was gradually lowered to the bed giving nice body to body contact and allowing kissing. Thanks Foxy, felt really good! Finished off in mish and went away feeling a very happy man.

Overall a great experience, felt like I'd known her for ages. The price at WFBs has gone down by ?10 to ?50 for 30 minutes, so value for money can't be faulted with girls like this available. Foxy is a must see for a return visit.
