The Premises:

The apartment is located in a nice part of London,its very tidy with an excellant decour.Which made me feel comfortable safe and relaxed.

The Lady:

On seeing kate for the first time my initial thought was,oh how lucky i am.She is stunning to say the least,everything is where it should be and perfectly formed.She has lovely long hair and is very pretty with amazing eyes that makes you melt.

The Story:

Never before had i even dreamed of having an experiance like this,that was untill recently and i am so glad i did.I was asked what i would like,my mouth opened and a noise came out kate looked at me in amusement. I was so scared having not done this before i could hardly talk,however kate made feel so relaxed she was so GENUINLY interested in making me feel comfortable.Eventually i managed to say what i would like.Not going into details, being a gentlemen,the experiance was fantastic,she litterally took me to another place.And she did it all with a sense of care and passion.Kate thankyou for you for looking after me, will defo see you again.
