### The Premises:

as stated before. basically my old dears caravan in the 70's was bigger. clean enough and functional

### The Lady:

excellent personality and looks great noshing you off. She is skinny as are most users. says her father is scillian which I wouldn't dispute. She is a lovely girl.

### The Story:

was going to go for full blown 50 note special, but when i saw her, i plumped for a owo cim special. her deep throat is excellent, and she kisses a treat as well. I would return if i was passing and have the horn but I wouldn't make a speacial journey. great noshing though. go, close your eyes and dream of your favourite celeb, and blow you lump down her throat. top draw.
