### The Premises:

Nice hotel room with a comfy bed. Perfect for what came next...

### The Lady:

Very attractive young glamour model with a great pair of breasts (enhanced) and a cheeky, fun personality. Very trim.

### The Story:

I had a great time with Shakira. She greeted me in a little dress that was straining somewhat to keep her most notable assets covered. It didn't take long for this situation to be rectified. After getting to know each other a bit better she proceeded to give divine OWO. It was seriously good OWO - she really enjoys giving head and it showed. After 15-20 mins of that we proceeded to the main event. Did I mention her breasts? They're even better when they're bouncing. After lots of bouncing I had to make the tough decision of where to finish. In the end I opted for more OWO to CIM (gratefully received). The only thing I regret is that I didn't ask her to dribble her mouthful onto her breasts. Next time.

Things were just as good after the action. We were just over an hour at this point and Shakira was perfectly happy to sit there, naked and chat with me about daytime TV (Jeremy Kyle - I'd never heard of him). In the end it was me who said that I should leave because I had to get back to the office. I had a fun time and I hope she did too.

Lisa at Atlantic Companions was helpful throughout my decision-making process. I can dither when presented with a bevy of beautiful women but Lisa helped me make my choice and I think it was a good one.

I recommend Shakira and the agency.
