The Story:

attractive lady in her prime of life, been escorting for about five months and some very positive FRs already recorded.

answered door wearing an smart dress and invited me in the kitched for a cuppa, made the brew and we took it up stairs into the bedroom, sorted out the finances and we both stripped off, nice, figure fully shaved. Julie asked what I wanted and I explained that I liked gentle sex, oral with out and lots of kissing etc.

Thats exactly what I got , Her o is gentle and sweet (none of your sucking a golf ball through a hose pipe with this lady, if you like it soft gentle she is the one. Allowed cim and she swallowed the lot, kissed and cuddled more, chatted, but at my age its a miracle if the JT can go a second round. A pleasant way to spend an hour in the morning, will visit again, thank you Julie
