Very clean. I am sure that the locals know what goes on here. But no bother really. Nice house with nice clean rooms.

### The Lady:

Pretty early 30's with shoulder length black hair, slim and fairly good looking. Dressed in black lingerie.

### The Story:

Paid ?70 for sex and oral without with a real GFE. She stripped to show a lovely shaven pussy which I thought I would have a field day in. However she had horrible stretch marks over her stomach. Anyway she gave an average rub down and then she started to blow me bareback. I tried a 69 on her but she wouldnt accept it. I thought I had paid for a real GFE. I had even told her previously that I would write up about her and I would have thought that she would have tried harder to please me. This was a real turn off. i do hate it when I have to think of something else to try top get me hard. I thought we were paying the girls for a service and should at least expect it. The fact that she said no to my pussy sucking put me off. I managed to get hard and decided to fuck her from behind. She had nice pink pussy lips and could see then draw out when i did. Managed to come thinking of someone else.

A quick dress and quick rush out of the door. Candy is here once a week. Maybe a bad experience this time and may try again with someone else next time.
