Very similar to pictures.

The Story:

It's all about a combination of looks, chemistry, attitude and personality and wow it was all there. It does not happen very often. I was tired and worse for wear with booze but this girl really puts in the effort. Ok it was not going for happen for me that night. It would be like trying to get milk from a demented rhino - but I will be back because of her great attitude. I would highly recommend.
