The Premises:

OK basement flat 7-8 minutes walk from Maida Vale tube station in a fairly upmarket block. If approaching from Maida Vale you do need to walk through a housing estate to get there. Candles on the dressing table created a nice atmosphere. Yes I know Maida Vale is North London but she does have other reviews as Susie of Central London so I will keep this review with the others.

The Lady:

Russian lady. Average height (5 feet 7 maybe), slim and pretty. Brown hair & green eyes give her a rather shy demeanour - however she is a tiger in the bedroom! Probably late 20s & looks pretty good for her age.

The Story:

The services were the norm for this price range in London (dfk (passionate, wet and urgent), owo (hands free & very good), 69, sex in numerous positions, cim, massage & multiple pops available without question) but Susie beats nearly all other escorts I have met over the years due to her determination to ensure that you have a great time.

Her attitude towards the job is perfect. She smiles easily & often, takes an interest in the customer, asks what you want & succeeds in giving the impression that she is enjoying the experience as much as you are. To me this is what GFE punting means. At times during the hour I forgot that I was with an escort - a first for me.

I hope I will have a better punt during 2006 - sadly this experience with Susie is unlikely to be equalled let alone beaten.
