The Story:

Paris came into room,was very chatty and put me to ease straight away. She explained costs and what you were going to get. She likes to sit opposite you and she really gets going,what a wonderful kisser and a body to die for.I got to touch,finger everything,and then she gave me OWO and I returned the favour. I have asked her not to put flavoured cream on her pussy next time (and there will be a next time) as I love the taste of a black pussy. We then had the most amazing sex,and she kept me going till I filled up the condom. She then just sat with me talked and gave me a short rub down.Not hurried at all,brilliant. I can't wait till next week!!!
