The Story:

More than I would normally pay although I have seen Alina from this agency before so feeling a little flushed I splased out. I was not disappointed. She made me feel welcome from the first minute and the service was great. The unique combination inbetween a GFE and a very horny girl. A good hour of her playing with herself, some toys then great sex. She is a great bit of eye candy and well worth the visit. Left with a large grin.
