The Story:

Lauren opened the door to me dressed in a dark blouse and denim mini-skirt. She was wearing black stockings, with the tops showing, and high heels. She looked absolutely gorgeous, and very sexy. After a glass of wine and an introductory chat she led me into the bedroom. In her profile she indicated that she would do a striptease on request, and also had a surprise!

I requested the striptease which she performed beautifully, allowing me to stroke and fondle her as she stripped down to panties and stockings. Then it was onto the bed with plenty of kissing and fondling. She started by performing O on me before we moved on to 69 and I had the opportunity to suck and kiss her fabulous shaven pussy.

From there we progressed to sex in cowgirl and mish before finishing with doggy. Such was her skill that it wasn't long before I was well and truly finished!

We then lay and chatted some more before she ran me a shower. A true girl friend experience with a lot of passion, and a fabulous hour, thanks Lauren.

As to the surprise, well you will have to find that out for yourself!
