The Story:

Chatted with her for a while and got things sorted out. She was nicely turned out and smelt really nice. Kissing was a bit perfunctory but we quickly got past that. She does an ok massage and her bj (with) is very nice. We had a quick go at 69 but she didnt really seem keen and so moved onto sex. Started off behind her and shagged her for a while but got a bit bored with that and ended up in mish. She reacts OK to be being shagged but didnt seem very keen once things seemed to be taking a bit too long. Finished off and everyone was happy. Left after 50mins. She is very pretty but not really my sort of girl. Perhaps I just caught her on an off day.
