The Story:

Where do I start? I opted for a fantasy session where I was the naughty school boy and Katarina was the school mistress who was there to dish out my punishment... and dish it out she did... The naughty school boy tried to charm his mistress... did he succeed? That's between me and Katarina, but I dare you to try - you won't be disappointed!

Katarina made me feel relaxed, welcome and comfortable. She paid attention to every single detail I asked for and played her role to perfection. She is very friendly, very intelligent and extremely adorable - both seductive and sadistic sides of her! Would definitely recommend. Katarina, Eysenck you for the wonderful time we spent together. Until the next life...
