The Story:

picked this girl from her field reports which seemed great. I guess I got her on an off day. Everything went OK but she is not really interested and just went through the motions. Shagged her from behind eventually so at least I could just concentrate on the sex.
Sex was OK but not her best day!

Chloe writes, "I was not working on the dates and times that are listed in this field report as was having a few days off, have checked my diary and the dates/times do not make any sense."
