This can be summed up rather easy!

Suzie is one in a million. Such a beautiful lady, you would be hard pressed to find a better experience with any escort.

For the leg / ass lovers out there (which I most certainly am) you need to see Suzie. She has the best ass I have ever seen, you get an idea from her photos but the real thing is way much better.

I'm not going into a blow by blow account of our time but.

It is so obvious she enjoys what she does. The lady is so horny and just way too sexy. Having her on bended knee sucking me was an amazing sight and felt rather good too. She then proceeded to ride me for all she was worth for the rest of the duration - amazing - this girl is athletic. She also kisses divine.

I then had to explode over here face as a finale and she loved it.

I recommend every guy who is a 'leg / ass lover' you have to see her you will not find better - I for one can't wait for round two and it's tomorrow. oh well not too long now.

Treat her well boys....She is a star!
