The Premises:

This is a really good location, just off the busy Marlybone Road. It is clean and very well decorated inside.

The Lady:

Jazz is an Indian girl, quite tall and slim with lovely legs. She was wearing a short skirt and black hold up stockings.

The Story:

I walked down from Kings Cross to avoid being suffocated on the tube. I was very tired after the long working week and was in need of a relaxing massage with hand relief. Jazz is very welcoming and she provided a sensual massage which was just what I needed. The cool room and comfortable bed almost made me want to drift into a sleep, but once Jazz's fingers caressed my inner thighs and balls, my thoughts concentrated on the hand relief. When I turned over, I saw Jazz's lovely, brown Indian breasts and large aureola. I couldn't wait to suck on her nipples and run my hand up and down her lovely, slim legs. As my orgasm neared, I also squeezed her shapely bum. Being tired it took a lot of effort to finally take me over the edge and my orgasm was intense and relieving.

I've now been to all 3 of the Indian specialist places; this one, Covent Garden and Liverpool Street. For those of you that like Indian girls I recommend all of these locations.
