The Lady:

Emma is beautiful English rose. Her pictures on the London Submissive Babes website are accurate and she is fantastic in person. She is about 5'5" tall with very smooth skin and a has great, friendly personality. She has fairly small breasts, good enough for me though

The Story:

I booked an hour, with A level and watersports. I asked for a naughty schoolgirl scenario, and Emma does roleplay very well. She did what I asked, we wont go into all the details, but she did some wonderful things to me, that I really enjoyed!!!

She had a beautiful pussy which tasted great, the watersports was fantastic, she crouched over the sink and pissed into my face and mouth.

Sex was great, and the A level was the best. I am not bragging, but going by what some other girls have said, they have seen my tool, and refused A level or if they have agreed they have told me stop due to the size. Emma took my whole tool right up to my balls!!!! and suffice to say I gave her a good pounding, and she really loved it. Without doubt the best A level ever.

All round a great time with a great girl
