The Story:

I have seen a Leah a couple of times over the years (even before her boob job), but she's normally busy when I visit. Also, I prefer natural breasts to enhanced ones as a rule. For girls like Leah, however, rules can be bent a little!

There is little to add on Leah's service that hasn't been written before. She is amongst the most beautiful working girls imaginable. Our half hour involved lots of passionate kissing and my licking her pussy and tasting her sweet juices with her coming twice.

Finally, rather than full sex, I opted for OWO and, after a fantastic bj, I unloaded all over Leah's fabulous tits!

See you soon Leah.
