The Lady:

Very chatty lady. Spends time on the 'phone to vet the nutters, but she let me visit anyway. Short, young looking 30 something with a couple of nice tattoos, wonderful boobs, fully shaven and very sexy. Is gradually putting her prices up. Tried to get me for ?150, but we settled for ?120

The Story:

She met me at the front door - no maid, dressed in silky blouse, very short skirt, stockings and heels - no underwear. As she promised on the phone, I got a great BBBJ at the foot of the stairs, finished in a small but OK bedroom after we had stripped each other off. She swallowed. Has a very sensitive clit, and came twice - once more than me. Loves anal. One of the greats as far as I am concerned.
