The Premises:

Same as before, very nice, clean and discrete, short walk from tube station.

The Lady:

Beautiful isn't enough, goddess maybe nearly suitable to describe her. Visited the retreat before, and all the ladies are wonderful, but Jessica really stands out.

The Story:

5th visit to the retreat and 2nd visit to Jessica, 1st time ever visited any girl twice, says something for her doesn't it? Does everything you would like her to, plus makes it more fun than you could imagine!

Completely put me at ease, discussing likes and dislikes, before coming up with scenario. Plenty of tie and tease, spanking OTK and some anal fun, before being tied down and ridden for all I was worth. No more details, if you want to know more about this lovely lady, then go and see her for yourself.
