The Premises:

Nice, safe clean, pleasant, above all very discrete.

The Lady:

Pictures on website don't really do her justice. Imagine a younger version of Nicole Kidman but twice as beautiful. Had booked just 45 minutes but as soon as I saw her I changed it to 1 hour (if I'd had more cash in my pocket I'd probably asked for more!!!)

The Story:

Charlotte is one hell of a dominatrix, she knows what she's doing, and enjoys it (either that or she's very good actress), yet she makes you feel in a very safe pair of hands. Before anything starts a safe word is given in case it gets too much (trust me this is very reassuring), a brief conversation to discuss what I wanted and she did it all plus a little more.

I am new to the sub/dom scene, and still finding new stuff to try out, Charlotte showed me several new things that I wanted and also hadn't dreamed of, some I liked and some not so sure (those things are between me and her), but now I've tried I know what not to ask for next time.

Don't really want to recommend her, as others will enjoy what I have had, but that is selfish. Can't wait to see her again sometime, when my budget allows it.
