### The Lady:

Absolutely breath-taking. Sophie is a beautiful girl in her mid-20s, with soft, silky blonde hair, gorgeous brown eyes and an electric smile. She has a wonderfully voluptuous figure -- curvy but shapely, with great legs, a lovely arse and THE most stupendous 36HH tits I've ever had the pleasure to behold. Full, firm and heavy. If you are a titman like me, she really is the stuff of fantasy.

### The Story:

I contacted Sophie after seeing her website, and she exceeded my wildest expectations. We went out for dinner, and she immediately put me at my ease. She was just great company -- bright, funny and completely engaging. It was like we had known each other years. She even took my mind off her huge tits as they threatened to spill out of her top!

When we got back to my hotel room, she slipped into something more comfortable -- the black bra, stockings and suspenders I'd asked her to wear. When she came out of the bathroom wearing them, I thought I'd died and gone to heaven. As if I wasn't excited enough, she then teased me to bursting point with a slow, erotic massage (with those incredible tits used to dynamite effect) and the most luscious blow-job I've ever had. I won't go into details about the sex, other than to say it was fantastic. Not only has Sophie got a fantastic body, but she clearly loves her job, has plenty of expertise and throws herself into it 100%.

Put simply, it was a fantastic night and the best punt ever. I will certainly go back for more. And more. And more! Treat her like a princess, guys, and you will have the time of your life.
