The Premises:

Very discreet location, located down a small alley off a road in Spalding. Easy to blend in with the shoppers in the area.

The room itself was spacious and included a lovely high bed and an en-suite shower.

The Lady:

Mid to late 30s, attractive and a very fit body and an awesome bum. Boobs are enhanced and very nice as well. She has a clit piercing as well. Very friendly and puts you at ease straight away

The Story:

My first visit to a parlour so a little unsure about what to expect.

Entered and was greeted by the maid who showed me into the room and said to make myself at home and Emma would be in shortly.

Emma came into the room and straight away was greeted with some kissing and touching. After a quick chat it was onto my front for a massage and then from there onto some oral, which Emma stated is always protected with her.

After a while I returned the favour, paying particular attention to her clit ring whilst feeling her lovely nipples and breasts in the process.

She then rode me cowgirl style and then onto missionary until I asked her to finish by hand, which she did to great effect.

Finished off by having a chat about the establishment and the one in Kings Lynn.

Overall a very pleasant time in nice surroundings with a really sexy and friendly lady.
