The Premises:

Clean and nice place. Didn't open the door at first and I had to stand out in the street for some time, which is always uncomfortable. But no biggie.

The Lady:

She is TALL! I'm not good with feet and inches, but I'm 183 cm tall and she is taller than me. Ass is a bit skanky, but other than that good looking (as per photos) and tight. Nice tits.

The Story:

Chanel had something urgent to take care of in Slovakia pretty soon, and I see now that her profile is gone from most of the sites. She did, however, say she was coming back soon, so I'll post anyway.

Nice girl, and fun to be with such a tall woman, but I was a bit surprised when I first walked in. Since she looks so young and innocent in the pictures, I had expected meeting a shorter, more petite girl. But she was fit and had a big smile planted in the middle of her face, so I was happy nonetheless.

Nice attitude, and willingly preformed CBJ ("C" at my request) and mish for round one, and cowgirl, mish, doggie for round two. She seemed to be in to the sex, and I had a great time.

Will recommend, but probably won't go back.
