The Story:

Dianna arrived at 8pm very promptly . Yes, your'e right. We did have a cup of tea and a chat as soon as she walked in the door. She has the ability to put you immediately at your ease and within minutes I felt as if we had known each other for years. After about 20 minutes we made our way up to the bedroom where ordinary jeans and top were quickly removed to reveal sexy pink lacy undies. These also were quickly discarded to fully reveal her beautiful curvaceous body with delightful full boobs and well rounded hips. And hanging down, framing a lovely face, that dark lustrous hair. WOwwwwwwww.

Almost immediately we were on the bed kissing, cuddling and exploring each other's bodies. I refuse to go into all the lurid details but suffice to say we went all the way from slow and sensual right through to hot and passionate and back to slow and sensual. On the way we pleased each other and both reached delightful climaxes. And she was able to tell me all the time and show me exactly what to do to please her.

Dianna may not be a full-time escort but she certainly takes second place to no-one. She is warm and affectionate and gives a real GFE. While you are together she loves you passionately and gives herself to you totally and without holding anything back
