The Premises:

Sensations is clean and one can park right outside (free). I agree with the previous report that it is time they did something about their creaky beds.

The Lady:

Gemma is very slim and fit looking brunette about 5ft 3ins (34B) with no tattoos or piercings and is in her mid-twenties. She certainly seemed to have a lot of nervous energy - she would like to be a lap-dancer and kept trying to have a twirl. If that is your scene no doubt she would perform for you. The nervous energy might well be that she was dying for a smoke as after the event I saw her outside puffing away!

The Story:

Remembering that the memorable Paige of Bristol had started in Sensations I decided to see what they had to offer these days. Although Gemma could not match Paige's natural 38E's she was clearly (as far as I was concerned) the best of the three ladies available. She was very amenable and followed my request to skip any massage and go straight to cuddling and caressing. She was very easy to talk to and eventually we got round to cow-girl and a fine finish in mish. She is only there on a Friday and if I fancy the parlour experience again I would see her again.
