The Premises:

Very safe little market town, plenty of parking places, about 5 mins from town centre.

Nice parlour with en suite facilities in room.

The Lady:

Really nice bubbly personality, lovely bum very good figure overall, very pert titties, don't normally like enhanced breasts but these were gorgeous.

The Story:

Put me at ease straight away some lovely kissing ,great massage with a lot of light kissing and tongue on back and legs,
oral is covered but the attention the rest of my undercarriage received from her tongue and lips was wonderful. After a session with Emma on top, she asked me to stand at the end of the bed, then slid down so I could enter her standing up, didn't last long after that perfect view and lovely hot wet pussy.
