### The Premises:

Clean and tidy as ever. My third visit to Kellys but the first time I have met Lauren. I asked for full service with Anal as was on offer.

### The Lady:

Mid to late 30s. Long dark hair, 34" breast with nice hard button nipples which she liked being sucked hard. A lovely arse to look at and the type of pussy to die for. Trimmed of hair and a pure camel toe. The best! And the taste of it was oh so sweet.

### The Story:

ordinary back rub with ball tickling but on turning over and looking at her my cock grew bigger. Oral was with but she she liked a finger in her pussy. 69 which was divine then into mish which was tight and a true GFE. Then into doggy, her knees on the edge of the bed with me standing. Her arse cheks held wide whilst I entered her tight arse. She said I was too big and would give me a refund, I asked her to try more and I was in. She enjoyed it as much as I did. Finished with my cum being wanked over her tits with me rubbing it in.

A nice chat afterwards as lovers would do. A great time was had by both.
