The Premises:

As usual the world famous babes reception was fantastic & monica(receptionist) still remembered me from my last visit which was a few months ago now - work commitments kept me away (pah!)

The Lady:

Shannon was/is fantastic. a real down to earth gal with a bubbly spirit that this business hasn't influenced. Tall & slim with a great smile, lovely passionate eyes and a fantastic trim body built for sin. I warmed straight away to her & felt a bit of a challenge coming on.

The Story:

Shannon provided me with a fantastic raunchy G.F.E. kissing & cuddling, fun conversation no false b.sh1t. She is very comfortable with herself ad this showed as she stripped straight off & jumped onto the bed next to me. after kissing & cuddling I went south tasting what can only be described as the sweetest pussy i've had in a long time. needless to say we did'nt need her 'toys' to help her to orgasm as I could have stayed lost in paradise for ever. Everything was genuine with Shannon - no false grunts & groans. I was slightly disapointed that she din't like fingers inside her (I asked limits earlier) I can understand why not but I still felt SHE missed out on something even more intense (soory me blabing on again)

Shannon provided me with the best F**k i've ever wanted - I thought Victoria from WFB couldnt be beaten but Shannon has just changed my perspective. Awsome, Thanks M
