The Lady:

A beautiful but skinny and petite girl that had only a little resemblance of her photo on the website. Rock hard tits with pink nipples and the smallest tightest pussy ive seen.

The Story:

Caprice arranged to visit me at my home. She was 30 minutes late because she got lost but she did apologise on her arrival. First impression were good and she made me feel relaxed. I had arranged for her to try a roleplay and she was happy to tweak it to perfection.

Started of with some erotic touching and kissing which was soon followed with BBBJ. She soon took control and led me to the bed where the bbbj continued until i was rock hard and ready for a condom.

Tried many positions including doggy. mish and cowgirl with me cumming on her chest. Great experience but not really my type.
