The Premises:

Place was small, terraced house. Entrance along alley, quiet, safe, discrete. Not easy to find but good instructions given.

The Lady:

Attractive woman, very nice figure, probably late thirties. Longish, curly hair, dressed in sort of goth/hippie style but high heels and very sexy.

The Story:

This was a very erotic experience for an inexperienced slave. Mistress was firm, in total control but has a wicked laugh and sarcastic sense of humour. I was totally under her spell. She does not like idol chit-chat so I simply obeyed her at all times. She does everything from tie and tease, wax torture and spanking to w/s (not much is off the menu). Importantly, it was not rushed and Mistress seemed to genuinely enjoying herself as much as I was. A must for any slave!
