The Premises:

Well known apartments in Sloane Avenue. Very well kept, all facilities excellent. However the apartments are being renovated and you are expected to ask the porter to escort you to floors 4 and above. My advice, take the lift to the 3rd floor and then the stairs and tell no one.

The Lady:

A very attractive Manchester lass with blonde hair, beautifully enhanced boobs, lovely all over tan. Slim and toned. Very sexy overall.

The Story:

I won't go into the heavy details of the funny experience I had with Natasha, but I will say this; This girl is such fun, down to earth and you end up really having a good laugh and some great sex too. From the moment I came in to the moment I walked out of the apartments with her down the street I had a great time. You will truly not be disappointed in meeting Natasha.

From the menu:

- o Started with kissing, I don't use tongues and Natasha and I had fun trying to kiss without. She does kiss very very well though. I could have done that all day
- o Then some very relaxing oral with (at my request, it was her first time doing this with a condom)
- o Then some more kissing and fingering.
- o Moved onto sex in mish with her legs over my shoulders.
- o Lubed up and then some anal, which she likes, and you can pound as hard as you like (her request)
- o Finished with me wanking into her sexy waiting mouth. She got up, looked at me and smiled with a mouth full of come, lovely!

Wow, what a great session. From all of Max's girls I have met, Natasha is my favourite.

Warning: she does not work all that often so book in early.

Natasha, thank you and hope we meet again soon.
