The Premises:

Tidy discrete basement flat in quiet side street just off Old Brompton Road, five minutes walk from West Brompton Station

The Lady:

Margerita has many photos on the web site, most are accurate though some seem to have been improved a little. She is an attractive girl, perhaps just a bit slimmer in real life than her pictures would suggest. Unfortunately her English isn't perfect so conversation is difficult.

The Story:

Paid the cash, quick shower, then onto the bed. Gentle massage and kisses, she nibbled and kissed my ears, which was a real turn on. Pleasant oral, on with the condom and her on top. Second round was very much the same, though I finished on top. It was ok, I haven't been with an escort for a long time so was nervous. Unfortunately her conversation was limited and there was no spontaneity, just a bit too routine, no variety. No such thing as bad sex and she is a sweet girl but we just didn't click.
