### The Premises:

Her flat is clean and very well kept in a good part of York not to far from the railway station.

### The Lady:

Cat is gorgeous mid 30's with long luscious long blond hair and lovely Cat eyes hence the name. She has a lovely Curvey figure about size 12 and she was dressed nicely just as I asked!

### The Story:

This is my second visit to Cat, and I visited her because of all the other field reports. We were straight down to business in the bedroom this time as it was late and I had a train to catch. We chatted a bit and then undressed each other. She didn't rush me and she's gorgeous. We did some kissing and cuddling. I had 2 hours on my first visit so we were able to explore a lot more. She started with a magnificent BBBJ which had me close quite quickly. She's fantastic at this the best I've ever experienced and you can tell she loves it. She also used her tits to wank me a little. She gave me the choice pussy or mouth to finish. I went for pussy and she did me cow girl it was fantastic. I wished I had more time and I will come see you again soon Cat.

Altogether this is the best escort in York and if your ever there she's well worth a visit. Her hair is really nice and you can tell she enjoys her job. She loves gifts to and I had 1 for her this time. She put a big smile on my face for the rest of the week!!
