### The Lady:

stunning.

around 5 feet 6 tall, shortish dark hair, stunning suntan although this is helped by being from the med.

about a size 8 to 10 i think, no more than a 10.

breasts they stand up to attention. about 38 c if memory serves me right.

lovely lovely toned body.

### The Story:

well after my last time she was a breath of fresh air.

i phoned max to ask if he had any new girls to be told he was talking to one right now who wanted to start work and would i be intrested in meeting her.

so completly new, stunning according to max, had had no sex for 4 weeks and was gagging for it.

who am i to say no.

meet and hit it off straight away.

kisses like she wants to check your tonsels.

passon like i have only meet a couple of time before.

sucks like her life depends on it.

cim and cof dripping down her chin WOW. stunning sight.

loves to be eaten

and will fuck until the cows come home, wash, go to bed, get up and go back out again.

i had touble getting to the second pop, she was not going to let me leave until i had so on all fours

fucking me one moment then sucking me then fucking me until i was ready and boy did i blow.

thanks Jasmin if you read this
