The Premises:

Sandy's is well reported and it's usually my first port of call in Manchester. This is because they have such a fantastic selection of girls and the operation is so professional. Courteous telephone manner, easy to make an appointment, good facilities in reception and staff remember your name!

The Lady:

Very attractive, coffee coloured skin, great body, very friendly and lovely sense of humour.

The Story:

Passionate kissing to begin, then I removed her bra and sucked her nips and tits. She played with my knob until it was time for an uncovered BJ. This was excellent, with ball and shaft licking and lots of slurping. Following this I went down on her lovely cunt, with tongue and fingers, until Leah began moaning loudly, tightened her legs around me and became really wet. Convinced she must have come.

A brief respite for her sensitivity to disperse, but we continued snogging.

The party hat went on and I entered her juicy hole for prolonged fast and slow knobbing in 3 or 4 positions. Leah appeared to love every minute of it, and I certainly did, together with the great views in the mirror.

Fantastically sexy girl and another for the "must shag again" list.
