The Story:

This was a first for me and the wife, and we was nervous at first but Sam put us at ease when we rang her and when we arrived she was fantastic, realy friendly and took things realy slow and didnt rush anything. It started with Sam and my wife kissing on the edge of the bed then i was asked if i wanted to join in, I will not go into detail but we have visited Sam 3 times. Any couples out there thinking of trying this, book Sam you wont regret it and she is not a clock watcher. Thanks Sam will see you soon if you dont get to booked up. Thanks Sam
