### The Premises:

5th floor apartment in mansion block. Easy to find, clean and safe.

### The Lady:

Attractive lady who has perhaps become a little jaded with the punter scene. We need more girls who put their "heart and soul" into the biz.

### The Story:

Upon first meeting her it felt like she had recently woken up. This seems to a common problem with some of the EE girls these girls. A little dazed, a little non-committal, clearly the weather got to her and I think her heart is not in this anymore. If you can warm this one up she may well reap dividends. I would recommend the agency - they have some real stars - but I am not sure about this lady. But as you may well have better luck than me I say - give her a try.
