The Story:

My usual service at this place with a Girl I've not seen before When Pinda came into the room she asked if I had seen her before but my answer was no as if I had I would have definitely remembered this goddess. We got into the jacuzzi together and played with each other then Pinda grabbed my cock and rubbed my helmet in between her soft silky legs which almost made me come there and then. We then got out and moved onto the bed where Pinda rode my cock in reverse cowgirl until I shot my load inside her. Then she gave me a massage where she rubbed her stunning body against mine with those excellent tits rubbing against my balls, after that we moved into the 69 position where I got to lick the sweet pussy of hers before we started to have sex again I didn't manage to come again but it was worth the visit and I will be going back again
