The Story:

this is a strange one!!we went straight down to buisness,she slapped on some pussy lube to my display.then began fast and hard owo with plenty slurpin noises.she then straddled over me and i had a mouthful of lube whilst lickin her out... not enjoyable but it was good tastin lube so i proceeded.plenty noises and groans from her then i dedcided to shoot my load in her mouth which was quickly spat out.hehe.i apologised.i cleaned my cock in shower ,then a back rub and more owo to get me hard which never took long.then coverd for doggie(extra loud moans and screams from her)then missionary kneelin in front of her(extra extra loud screams) then she gave me more sloppy owo,depthraoting to the point of gaggin and ball sucking.i knew i couldnt cum again cause the technique was not for me so decided to end the fun

this was kinda a good punt apart from the lube,maybe too much noises and hard owo.
leanne is probably what id call a porn star actress,sexy,dirty talk,loud during sex but all in all i did quite enjoy the experiance

would reccommend you to try her but for me once is enough
