The Story:

Oh dear a total and utter rip off. Supposed to be a gfe with owo and cim, no kissing on lips allowed, worst blow job i have ever had certainly no cim at all, she was only interested in getting me out of the door as quickly as possible, in total she told me my time was up (after someone else had rung the door bell and she had gone to let them in the spare room) after only 35 mins this after i had paid for an hour. She also announced that i could only come once and expected me to leave immediately after i had (this was after 20 mins and i managed to negotiate her sitting by me naked for a futher 15). I complained the agency who to be fair offered me a discount off my next booking and were very apologetic. But guys do you self a favour avoid this one, she is a classic example of 'im so pretty you should be grateful i even let you in the door'.

she also works under different names at other agencies so guys look at her picture before you book any red headed Russians
