Clean and safe ground floor flat, buzzer entry, no parking problems, car would be safe there all day

The Lady:

Late thirties, curves in all the right places. Photos on the website are up to date, but she looks much better in the flesh.

The Story:

This was my second visit to see Trish, so I knew I would be in for a good time. Trish genuinely enjoys what she does and is bloody good at it. Very responsive and when she cums, you will know it. The phrase "I bet she could suck a golfball through a hosepipe" came to mind at one point as Trish was sucking so hard, I swear she almost lifted me off the bed! Pure ecstasy.

Go see her, she is well worth it.
