The Story:

Lara is a find in a million, this is my all time favourite punt!. Started off with some very soft kissing and carressing and eventually she turned from a very demure lady into a very sexy /horny and very naughty lady. Did all the usual stuff had oral on her and could have gone on forever. She rode me and, boy what stamina she has. One of my favourite thing is when the girl wraps her legs around you, and boy does she have some legs!. I don't usually do repeat visits(cos there are so many girls out there on my list) but with Lara I am afraid this is one rule I am going to have to break. I will definately be booking Lara again, and again, and again, and again.....well you get the picture.
