The Premises:

Well maintained flat off Marylebone Road with adequate shower facilities. Bathroom had mouthwash which for me is critical. Area seemed relatively safe.

The Lady:

Her pictures as shown on the website are accurate. Would describe her as sweet and cute.

The Story:

Phone lady recommended her based on my preferences (GFE, intimate). In hindsight it was not a bad recommendation. I had gone to her place hoping to stay for a couple hours, however, realising that it was very late at night I gave her the choice if she wanted to entertain me for 1 or 2 hours. Her preference was for 1 hour so I obliged.

After the shower we started off with a long session of french and cuddling, which led her to go down on me (BBBJ). Oral skills were adequate. I followed up with DATY, which she seemed to enjoy. Finished up in mish (she gets pretty wet).

Throughout the session we made small talk. Her english is not great and this is probably the reason I wouldn't visit again.

On the whole good experience and the lady has a great attitude. Recommended for someone seeking a GFE without much in the way of conversation.
