The Lady:

The photographer needs to be shot. She is so much better looking. Very young face, looks like an angel. tight body and a massive chest.

The Story:

Met me at the door looking lovely, sorted money and a quick shower and got down to it.

Lets put it this way, I am going to see her again this week, and I have never done that before.

I am a rough OWO guy and she delivers. Deep throat and all the good things. No rimming, and no A levels.

After 10 min of OWO on with the rubber, and went to mish and doggy? came in in a few min flat!!!! Usually if I get one off in 30 min its an accomplishment, but the sight of that face was amazing.

Cleaned up and had a chat, very young minded, almost innocent?. Almost!

Onto round 2 more rough OWO with a lot of dirty talk, cowgirl, mish ? tried to pull out for some CIM, but couldn?t get the willpower to withdraw. Instead looked deep into her eyes an had a great orgasm.

Wonderful experience with a young energetic girl. Be nice to her and she will be VERY nice to you.
