The Premises:

Well described in previous FRs. Clean, comfortable and discreet.

The Lady:

Indian, Mid 20s, slim (though a few signs of stretch marks), reasonably good looking but no stunner, shoulder length hair, tits are B cup certainly not the D cup as stated on the website. Overall not bad but nothing remarkable.

The Story:

Not a great punt. Pleasant enough girl and gives a decent service, After a bit of fondling and fingering her had a covered BJ - again ok but nothing special and finished with an oily handjob. Afterwards still had some time left so spent chatting away.

Maybe I'm sounding a bit harsh as she's a decent looking girl who gives a decent service (and will recommend on that basis) but guess I've punted so often that nowadays it take something special to take my breath away!
