The Premises:

Demi's apartment is discreetly located in a safe and pleasant area behind a main road on the edge of Leamington Spa. Her top-floor flat is light and airy, very neat and clean. Only the front door is closed; the rest of the rooms have open doors, and this makes you feel less nervous. I felt comfortable enough to go straight into the bedroom as instructed, despite my considerable 'first-timer' anxiety!

The Lady:

Demi is more or less average height for a female, with a toned and well-tanned body. Her skin is smooth, supple and lovely to touch. She has nicely-shaped, firm breasts.. with very prominent nipples. Her legs and waist are just right for her size, and her cute bum is a golden peach! Demi has a nice smile, and hair you just want to run your fingers through. She looks and is in her late twenties, which is a very fit age to be.

The Story:

Initially, I was almost too nervous to go ahead, but Demi was patient and encouraging. She helped me undress, and very soon I was naked. Keeping on her bra and pants, she got me to lie face-down on the comfortable bed. Next thing I knew, she was astride me and proceeding to very firmly massage my neck, back and bum. I soon learnt just to let go and trust her. She intuitively sensed my 'emotional baggage' and gave me plenty of good and kindly advice. I began to relax, such was the effect of her expert hands. Soon she had cleared my mind of all previous tensions. I noticed her fingers sometimes working in-between my buttocks and the base of my scrotum. Very erotic!

Due to my feeling very stressed and tired due to a recent broken heart, we didn't proceed with anything raunchy. (Previous reports will testify to this lady's well-proven ability to satisfy). I just couldn't perform on this occasion, but Demi was genuinely understanding about it. Instead, she let me kiss, stroke and hold her lovely body. She seemed to really enjoy me kissing her neck and breasts, especially the nipples. By the end, she was totally naked, and still let me caress her as she started to clear up. A simple, but very sensual experience; and one that not all ladies would allow you in such circumstances. I was offered a shower and even a tea or coffee afterwards!

Demi is a true delight, and I really respect her.
