Notes: Formerly worked as Melony

The Premises:

A house on an estate on outskirts of Peterborough. Plenty of parking and was quite quiet when I was there.

The Lady:

Melony is a red headed, chunky lady, with a nice pair of boobs. Around mid 30s at a guess.

The Story:

Arrived and was greeted and taken upstairs for a quick shower and then into the bedroom.

Melony gave me a massage during which I had access to her nice boobs whilst having a nice chat about this and that and then I turned onto my front for the quickest owo I have ever had. I am not kidding when i say it lasted 15 seconds and thats being generous.

A vibrator was then produced and she used it on herself, which really does very little for me, and then it was onto full sex which finished with her on top.

Melony seems like a nice person, but the super quick oral was a major disappointment and it seemed that there was no kissing on offer even though it states on her website that it is. She clearly does not like oral also as it was so brief and giving her oral didnt seem to be an option either.

So for 100 pounds I got a massage, 15 seconds of oral and a shortish session of full sex. Not value for money, in fact not even close. For comparission Alex of Needham market who i have also seen is 20 pounds less and provides a much better service. I have seen some cracking girls, Ellie of Norwich, Nadia, Estelle and Faith of SE really stand out, and maybe I have been spoiled by their awesome service. For just 30 pounds more I could have had an hour with either of these ladies who really excell in their work.

Service Provider's Rebuttal

Melony writes, "Service, 15 seconds of OWO, no kissing, no reverse oral and short session of full sex. Well that leaves about 59 minutes of chit chat LOL. Seriously once a client has had their shower, during those first few minutes of back massage I always ask or at least try to ascertain just what a client likes and doesn't. I remember clearly on being asked what he liked his reply ?just normal? on trying to expand on normal there was just no response. So as things progressed I just watched for signs of enjoyment, as I moved closer ensuring my pussy was within easy reach no attempt to touch me, I'm thinking well there no chance here of being licked to a climax, will not even touch me.. When I go down on him, instantly a look of disappointment, so quickly wondering what I'm doing wrong I produced my vibrator and tried playing with myself and still no sign of enjoyment on Dan's part. Guess I read things wrongly and am happy to offer you your next appointment free. Guys please try to let me know what's good or bad at the time we'll all enjoy things better."
