The Lady:

Very attractive, late 20's, slim 5'7" with long blonde hair. Great figure and gorgeous DD breasts. It's become a bit of a cliché to say that the photos don't do a girl justice but on this occasion they don't!

The Story:

This was by no means my first punt but it's the first time I've felt moved to write a report. Katie arrived on time but was a little flustered due to a bad experience on the tube. Soon settled down though and very quickly felt at ease with her. Started out with some passionate kissing before undressing each other and then took a shower together. Katie really enjoys sucking cock and couldn't wait to give me OWO whilst in the shower. Not the deepest or hardest I've ever had but very enjoyable nonetheless. More OWO on the bed then I returned the favour. Sex in several positions - first with her on top, which enabled me to play with those beautiful (natural) DD breasts then mish with her legs over my shoulders. More OWO before finally coming over her breasts. Great time with a lovely girl. I would definitely see Katie again but next time I would book her for longer.
